With reference to the 7th JPSC Civil Services Examination (P.T.) the following is brought to notice,

- (1) It is noteworthy that an unprecedented 5,35,521 candidates had registered for this examination of which eventually 3,69,327 obtained their admit cards. Finally, 2,49,650 examinees appeared, accounting for nearly 5,00,000 OMR sheets. This figure was nearly four times any previous examination.
- (2) In this current P.T., out of 2,49,650 examinees, there were 57 such for whom one OMR answer sheet was not available at JPSC on November 1, 2021. All these 57 candidates had been shown as present on the attendance sheet of the concerned examination centre.
- (3) This was not the fault of the 57 candidates in question.
- (4) In the interests of well established canons of natural justice and in order not to delay the declaration of results, the Commission decided to allow 49 of them the cut-off marks and declare them as qualified provisionally. The remaining 8 could not be declared qualified due to other valid grounds particular to their cases.
- (5) An enquiry was initiated into the matter on November 1, 2021 itself so that these cases could be resolved at the earliest.
- (6) The inquiry has now come to a conclusion, on the basis of facts, and none of these 49 candidates have been found to qualify. Their roll numbers are as follows:-

52058201	52236876	52236878	52236879	52236880	52236881	52236882	52236884

- (7) Since these candidates were given marks equal to the cut-off, their removal does not change the cut-off in any manner.
